1. Participation- Only students who attend NASP® schools may participate

- 1.1. Every archer must attend a school offering NASP® curriculum during standard school hours.
- 1.2. A 'school' for the purposes of participation in NASP® tournaments is a building or set of buildings on the campus where students at that school attend.
 - 1.2.1. For instance, a high school may have 9th grade and 10th-12th grade students on the same campus but in different buildings. This is one school.
 - 1.2.2. In another school all students K-12, 6-12, etc. may be in the same building or buildings on the same campus. This is one school.
 - 1.2.3. If schools with similar names but at separate address such as the 'North Middle School and North Elementary School' even if in the same district, they are separate schools and may not mingle shooters on teams unless shooting up.
 - 1.2.3.1.Except: If elementary grades (4th and 5th) are not in the same school the schools where the two grades are found may combine students to form elementary teams. Example: this could be a school with K-4 and a school combining with a 5-8 or 5-12 school.
 - 1.2.3.2.Except: If middle school grades (6-8) are not in the same school the schools where the three grades are found may combine students to form middle school teams. Example: this could be a K-6 school combining with a 7-8 or 7-12 school.
 - 1.2.3.3.Except: If high school grades (9-12) are not in the same school the schools where the four grades are found may combine students to form high school teams. Example: this could be a school with 9-10 combining with an 11-12 school.
- 1.3. A student who no longer attends a NASP® school due to having moved, promoted, etc. is ineligible to participate in this tournament until/unless the student's new school joins NASP®.
- 1.4. A student who is home-schooled may only participate if the home school has enrolled in NASP® and provides NASP® archery lessons.
 - 1.4.1. EXCEPT: Some home-schooled students receive Physical Education from public or private schools. If a home-schooled student receives NASP® lessons while attending classes at a NASP® public or private school that student may participate for the home school or the school where the archer receives NASP® classes.
- 1.5. Only students who are in grades 4-12 by the date of the tournament may participate.
 - 1.5.1. Except: A student in 3rd grade may participate if documentation from the Principal is provided to NASP® indicating the student can safely perform all tournament procedures with NASP® specific equipment. K-2 students are ineligible.
- 1.6. Competitive Divisions: Elementary: 4th-5th, Middle: 6th 7th & 8th, & High: 9-12 grades.
- 1.7. A student at a NASP® school that has graduated early during the current school year may, at the discretion of school Principal, be registered to participate.
- 1.8. NASP® archery teams must contain 12-24 students, at least 4 of which must be of the opposite gender.

- 1.9. If the school is single gender, the required opposite gender participants may come from other NASP® schools in the same city, county, or school district.
- 1.10. If the school contains fewer than 150 students (combination of grades 4-12) the team may be comprised of students from other participating NASP® schools in the same local system.
- 1.11. When building a team for the state or provincial tournament: A student, who by grade would be in a younger division (elementary or middle), may 'shoot up' for a team in an older division.
 - 1.11.1. To 'shoot up' the student must be from the same school or same local system and both schools offer NASP® as part of the school's curriculum.
 - 1.11.2. Unless 'shooting up', students may only shoot on a team at the NASP® school they attend.
- 1.12. NASP® is a school program. Therefore if school administration deems a student unsuited to represent the school, NASP® will abide by the decision. Ineligibility generally occurs when a student has been disciplined or for academic reasons.
